Ministry in the Spirit

We love feed-back! If you have any questions, comments or criticisms of the messages you hear, we would love you to drop us a line or an email.

We want to improve, but we need your help.

Please pray for us as we prepare and preach. Without the presence of the Holy Spirit and the love of God our preaching will be just words.

And in him you too are being built
together to become a dwelling in which
God lives by his Spirit.

Summer Term 2006
Sermon Series

A Living Breathing Building!

Challenges are part of our spiritual life. Nehemiah faced a huge challenge. He had to re-build a city wall, but at the same time found himself re-building God's people. In our morning services this summer term we will look at the book of Nehemiah and learning life lessons from it.

We need the BREATH that is the power and presence of the Holy Spirit. But who is the third person of the Trinity, how does he work in this world and importantly, in us. In our evening services we will study key passages of the Bible, but also take time to be open to God the Holy Spirit as we respond to His Word.

I find that people have a lot of questions about the Holy Spirit. During the evening service we will try to answer your questions. Ask anything you like. Drop me a line or an email and we will do our best!

We live in exciting times as a church and I believe our summer series will capture something of God's word, his heart and purposes for us.
