What the Holy Spirit Does In Me, What the Holy Spirit Does Through Me

The Holy Spirit is not the forgotten “Cinderella” of the Holy Trinity.

He is God on earth, God in us and God through us!

He is the breath we breathe as Christians, the power we have to live as Christians and the one who and the one who, in us, lets God the Father know for sure that we are his children!

The Holy Spirit is exciting!

How do we understand this? How does the Holy Spirit work in our lives to make us more like Jesus?

How do we let him?

How does He work through us in this world and touch other people with the love and the truth about Jesus?

These are some of the great questions we will be looking at this term as we study two bible passages, Romans 8 and 12 in depth alongside some others which help us understand and experience God the Holy Spirit at work in us and in the world.

Come and listen – Sunday mornings and evenings. Come and learn. Come and be changed!
