A ROCK and a **HEART PLACE**

Jesus gave him the name Peter

Life in the Crossfire

Kingdom attitudes in a messed up world.

In one of the greatest sermons ever, Jesus preached to a huge crowd on a mountainside. He gave people a powerful picture of what life is like when you live for the kingdom of God in the crossfire of this world.

In our morning series for autumn, we are looking at Matthew chapter 5 from the Sermon on the Mount. Jesus calls us to be “blessed”, that is to “be happy”, but where the rubber hits the road of contentment calls for some radical attitudes. Happiness is not bought, it is caught - when we truly live for God!

A Rock and a Heart Place

Jesus changed Peter’s name, but it took a longer journey to change his shape! Life is all about being shaped like Jesus. Life shapes us, but how does God’s word – the Bible shape us? Scripture was not written in a vacuum. God shaped the people whom he called to write his word. People like Peter.

Peter wrote both his letters from Rome around AD63-64 between Paul’s imprisonments. Nero was well established as Emperor. These letters pre-date Paul’s martyrdom in late AD64/5. Peter himself was martyred soon after.

In our Autumn evening series, we see Peter’s journey with Jesus, his experiences of church life, and the influences of the decadent Roman world all coming to bear on the rich tapestry of truth God gave him to write for our benefit.
