

What does my 'Giving Balance' look like?

Time – How much do I give?

- To Family.....
- To Work
- To My Church
- To Other Charities
- To helping my 'neighbour'

Talents – What can I offer to help others

- Practical gifts
- Spiritual gifts

Where will I offer to help?

- FFMC.....
- City Projects.....
- My Neighbour

Things - What can I loan / share with others

- Money / Give to support a ministry / Sponsor a child / etc.
- Practical giving – Food to food bank / etc.

I commit to change my balance by doing

.....

Heavenly Treasure Conversion Formula

$$HT = \frac{SQM}{W^2}$$

HT = Heavenly Treasure
S = Gift or Service
Q = Quality
M = Motive
W = What you have withheld

I am going to try to increase the things at the top of the equation (Gift, Service, Quality, Motive) by:

I am going to try to decrease what is at the bottom of the equation (What I've withheld) by:
